A Rewarding Experience Awaits You.

By attending this training and becoming a Parent Talk Facilitator you will join the growing cadre of over 200 facilitators now practicing in seventeen states, Australia, Canada, Mexico, and Spain. This select group is working diligently to improve family life in their communities.

"I just finished teaching my first class tonight, and loved it. I have 10 participants, and they felt they gained a great deal from the class, including the teacher and the "skeptic". Thanks for the clear way in which the facilitator's manual is laid out, and for the wisdom you have given us to teach! It is an honor to share this information with people and to make the world a better place, one family at a time.

Nica Eaton-Guinn, Santa Barbara, CA.

The Parent Talk System helps you by providing...

- ❖ A 150 page trainer's manual.....so you don't have to redesign or create a parent training.
- ❖ Easy to follow directions for teaching the 6 modules, including questions to ask, possible answers, and additional information not available to the participants.....to keep you one step ahead of your participants, feeling confident and in control.
- ❖ Supplemental DVD to use for the major lecture burst pieces of the course.....so you can catch your breath and review what you are going to do next.
- ❖ 21 verbal skills.....to ensure parents exit with a full tool box of possible strategies to use when they leave your training.
- ❖ Registration forms, evaluation forms, sample advertisements, business cards, copy ready logos and letterhead.....so you look and feel like the professional parent trainer that you will become.
